Assembly Guide 1/2

# Table Top Banners

01

Unpack all contents from the carry bag.
**Please note: The number of connecting poles varies depending on the frame size. Two people are required to assemble larger frames.**

02

Select the pole labelled 1 and connect it to the curved corner piece labelled 1.

03

Select the pole labelled 2 and connect it to the curved corner piece labelled 2.

04

Select the pole labelled 3 and connect it to the curved corner piece labelled 3.

05

Select the pole labelled 4 and connect it to the curved corner piece labelled 4. Your frame is now fully assembled.

06

Tighten the plastic star knob to secure the grey spacer to the clamp, then insert the table clamp into the bottom of the frame.

07

Repeat Step 6 on the opposite side of the frame.

08

Push the frame and clamps fully onto the table edge, then tighten the T-handle screws to secure them in place.

09

Secure the second clamp to the table by tightening the T-handle threaded screw.

10

Slide the fabric banner over the top of the frame.

11

Pull the banner down over the frame until it fits snugly.

12

Easy as that!
