Assembly Guide

Real Estate Flags

01

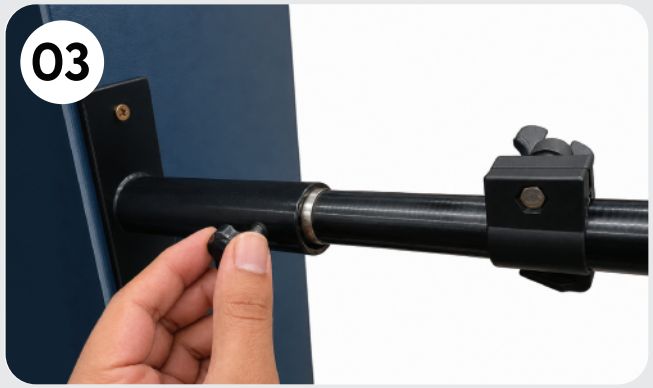

Select pole bracket.

02

Using the supplied screws, secure the bracket to the wall or frame with a screwdriver. Ensure both screws are used.

03

Once the bracket is attached, insert the flagpole and tighten the locking screw to secure it in place.

04

Open the end of the flag rod pocket and slide the flag onto the pole.

05

Hook the flag loop onto the clip, adjust the clip to tension the flag, then tighten it in place.

06

Easy as that!
