Assembly Guide 1/2

Rectangle Flags

01

Unpack the carry bag and assemble the flag pole by joining seperate pieces together. Insert one end of the pole into the other and push them together. Leave the horizontal pole unattached.

02

Insert the horizontal pole into the top/horizontal rod pocket of the flag. Make sure the pole is pushed right through to the plastic stopper at the end.

03

Insert the vertical pole into the side/vertical rod pocket of the flag. Keep feeding the fabric untl you reach the locking mechanism at the bottom.

04

Join the horizontal and vertical pole together.

05

Attach the fabric loop to the hook on the locking mechanism

06

Pull down the flag to the right tension.

Rectangle Flags

07

Twist the butterfly screw to secure the locking mechanism.

08

Easy as that!
